From the Director,Father Muller's Charitable Institution, Kankanady, letter No.D/3868 dated 26th May 1943.

Reference:-

In G.O. No. 472 Revenue,dated 2-3-1937, sanction was accorded to the employment for a period of one year of one Sub Inspector (First Grade) and one peon for work connected with the supervision of the Pharmaceutical Laboratory attached to Father Muller's Charitable Institutions at Kankanady. The staff was employed on 1-4-1937 in pursuance of the Government Order and has been continuously working since that date sanction for its continuance being obtained from Government each year. The sanction for the current year was accorded in G.O. No. Ms. 254 Revenue, dated 12-3-1943 and it will expire by 31-3-1944. The actual cost of the establishment employed for the supervision of the Laboratory, together with the contribution on account of leave salary and pension at the rates in force from time to time is borne by the Director of the Charitable Institutions. The Director has now requested in his letter cited that as there is absolutely no chance of the Laboratory stopping its operations,the staff sanctioned temporarily from year to year for its supervision may be retained as a permanent measure. Since the sta

staff has been continuously employed for over 6 years from 1-4-1937, the instructions issued by Government in paragraph 2 of their memorandum No. 406/D/37-1 dated 2-2-1937 in regard to submission of proposals for making temporary establishments permanent are satisfied in this case. The Assistant Commissioner for Distilleries has stated that the Laboratory is flourishing and that there is increasing demand for its products.

In these circumstances, the Board considers that the staff of one Sub Inspector (I Grade) and one peon on Rs.12-17 employed temporarily in the Pharmaceutical Laboratory at Kankanady may be retained as a permanent measure and requests that Government may be pleased to pass orders accordingly. B
